Club Sportsmanship marks on the **Referee Match Report Form**.

These are collated using the following scale and contribute towards a Club's overall performance for consideration of the League Club of the Year Award. The mark should reflect the overall performance and not relate to an isolated incident.

Mark Comment

- 10-9 The team showed very good sportsmanship and fair play. The captain and team manager worked well with the Referee as part of the Respect programme and managed the players' behaviour accordingly
- 8-7 The team showed good sportsmanship and fair play. There were some instance of dissent but these were managed by the captain/team manager
- 6-5 The team showed poor sportsmanship towards the opposition. The captain and team manager did not work with the referee as part of the Respect programme and failed to control the players' behaviour in certain instances
- 4 & less The team showed very poor sportsmanship to the other team and used undue influence to attempt to affect the Referee's decisions. Consistently showing dissent and no attempt to use the Respect programme. The captain and team manager did not work with the Referee as part of the Respect programme and failed to control the players' behaviour.

Assistant Referee Names on the **Referee Match Report Form**

Please try and find out the names of the assistants so that we can collate these as the League makes an award to the Club Assistant of the Year. The mark should reflect the overall performance and not relate to an isolated incident.
